Environmental Form

At the close of this school year, Wee Blessings Teachers & Administration will be giving us input on preliminary class placement decisions for next year. Throughout this process, we will consider many factors in order to create classes that are well balanced. These include academic ability, language skills, gender, personality and learning style. Please trust that your child's teacher and the school administration will make the best possible placement for your child.

Of course, as parents, you know your child better than anyone else. If you would like to share anything about him/her that you believe the team might find helpful during this placement process, please do so.

While we will consider input as we assign your son/daughter to a class, we will not consider specific teacher requests. Programs are equivalent in terms of curriculum and scope...only schedules/tuitions vary.
